EXPERIENCE

Webkaar Studio, shiraz — Product Designer

MAY 2020 - PRESENT

Responsible for User Research, Interaction and Visual Design, Prototyping, and User Testing across web and mobile products. • Collaborated with engineers to help define product requirements and road maps. www.webkaar.com

Tav vandad, shiraz — UI/UX Designer

MAY 2018 - MAY 2020

Consulted with tech startups to review current products and provide design solutions to solve user needs and business challenges through User Research, Interaction Design, Visual Design, and Prototyping.

Freelance — UI/UX Designer & Graphic Designer

SEPTEMBER 2018 - PRESENT

I designed logos, websites, posters and various social media content for multiple clients. The majority of this work was completed remotely.

Salimi Studio — Graphic Designer

July 2017 - June 2018

Designed all printed materials, including print and banner ads, newspaper ads, flyers and handouts. I also worked closely with the director to continuously level up branding of products.
